**HAITI TRIP:** A Board team made a July 2016 trip to visit our agencies in Haiti. Reports show that all is well with most of our friends and facilities in Haiti. A change has been made and our faithful sponsors for HCRM have been transferred to our other facilities. NOTE: The southwest portion of Haiti has suffered from Hurricane Matthew and many have died.

**ACWAM has sent some assistance to New Life Ministry to provide meals for Pastors taking study courses and travelling long distances.**

NYSUM/ New York School of Urban Ministries: ACWAM had a 5 day trip to do street ministry in New York City on August 19-22, 2016. Team members were very pleased to see the upgrades to the building and excited to be able to spend time working in the soup kitchen and on the streets to do ministry and bring people to the Lord.

**TANZANIA:**  
A trip to Africa is being planned to Africa for December 1 to 18th, 2016. The plans include a week of outdoor revival services and teaching for pastors there. There will also be some local youth programs and sharing of talents with local residents in Arusha. Cost for the trip will be approximately \$1800.
